

Padmashri Dr. S. R. Ranganathan Memorial Talk

The Padma Shri Dr. S. Ranganathan Memorial Talk was organized on 10th August 2023. The event was graced by two distinguished speakers from the Library and Information Science Profession field.

The 1st speaker Prof Sanjay Kumar Singh (Professor and Head, of the Department of Library and Information Science, Gauhati University) shed light on the need for effective strategies to manage the abundance of online information. The theme of his talk was “**Credible sources for academic use: e-resources and their reliability**”. He underlined the significance of digital literacy and research ethics in the context of e-resources, advocating for responsible research practices that ensure the integrity and authenticity of academic work.

The second resource person Dr Utpal Das (Librarian, Lakshminath Bezbaroa Library, Dibrugarh University) commenced his talk by elucidating the profound transformations libraries have undergone in recent years. The theme for his work was “**contextualizing reading habits with the modern library systems**”. His talk delved into how modern library systems adapt to readers' changing preferences and behaviours in a digital age. Dr. Utpal Das gave knowledge on the case studies, showcasing successful implementations of modern library systems that have effectively contextualized reading habits.
