

Training cum workshop on Oxford Grove Art Online
Date: 4th March 2025

The training workshop on the **Oxford Grove Art** database organized by KMC NID Assam was held on **4th March 2025**, at 4 p.m. at the auditorium of NID Assam to raise awareness of the use of electronic databases among students, faculty, and staff.

The Senior Territory Manager Kinsuk Chakraborty of Oxford University Press led the workshop. All facets of the Oxford Grove Art Online database were covered in the session, including its basic and advanced search methods, managing search results, saving and sharing search results, creating alerts and notifications, and using different filters and expanders for full text, peer-reviewed, and publications. There were twenty-one participants in the session.
